

BIO

Stephen Mackie

STEPHEN MACKIE is a member of the Board of Directors of the BC Forest Safety Council, representing Canfor where he is the Vice President, Operations Canada. Stephen has been with Canfor more than 10 years, most recently as Director, Capital and Strategic Projects, where he aligned business and customer needs by overseeing more than \$450 million in capital investments and supporting Canfor's expansion into the southeast United States.

Stephen started working in sawmills when he was 16, before going to the University of British Columbia to earn a Bachelor of Commerce degree.

Stephen's extensive experience in wood products manufacturing and woodlands management places him in an ideal position to help Canfor meet the rapidly changing needs of the modern forest industry and growing global markets. He also serves on the board of the Canadian Mill Services Association.
