Forest Sector Experience

I have worked with many forest industry woodlands and manufacturing companies as a health and safety consultant, program builder and assistant auditor.

Companies I have helped build programs for and mentored to certification include (within the forest industry):

Backcountry Truckin Ltd.	Canfor – Quesnel	D. Giroux Logging Ltd.	Dexter Oilfield
DOWDCO	Dene Tha First Nations	Envirosource	E&E Oilfield
Echo Logging Ltd.	Les Cochrane Trucking	Little Red River WFUI	MCH Forestry Ltd.
M&M Logging	MOI (Metis Opportunities)	Mountain Reforestation	Munson Equipment
Next Generation Reforestation	Ro-Da-Cor Enterprises	Saddle Lake WFUI	Wildwoods Reforestation
Adams Lake Sawmill	Dynamic Reforestation	Folklore Reforestation	R.McCormick Logging
Ron Wallace Trucking	Shakti Reforestation	Spectrum Reforestation	Stamer Logging
G & S Logging Inc.	Ken Dutkiwich Trucking	Canfor PG Sawmill	Sturgeon Lake Resources
P & D Logging Ltd.	Mike Closs Logging Ltd.	Schweb Contracting Ltd.	Tolko Industries

Private Sector Experience

I have worked with many companies as a health and safety consultant, program builder and assistant auditor.

Companies I have helped build programs for and mentored to certification in the private sector include:

Bowden Hiway Golf	Great West Equipment	Kal Tire - Stores
Edmonton Country Club Ltd.	Les Cochrane Trucking	Dexter Oilfield
Golden Golf & Country Club	S&D Trucking Ltd.	E&E Oilfield
Glendale Golf & Country Club	Ro-Da-Cor Enterprises	DOWDCO (oilfield)

Priddis Greens Golf	Hitech Power Tong	Backcountry Truckin'
Turner Valley Golf & Country Club	LNM Contracting	Eagle Lake Turf Farms
Willow Park Golf & Country Club	Brocor Construction	Raydar Contracting Ltd.

Auditing Experience

PG Sawmill – Canfor	Adams Lake – Interfor	Tolko – Lavington	Tolko - Kelowna
Tolko – White Valley	Tolko - Armstrong	Speedy Glass – Kelowna	Speedy Glass – Vernon
TireCraft – Vernon	Kal Tire – AB Wide Audit	Jaeden Resources Ltd – Merritt	

Auditing Experience:

Working with Advanced Safety Management I had assisted on a number of audits for forestry companies such as Interfor, Canfor, Tolko and multiple woodlands contractors. We had predominantly used the AFPA PIR II protocol and AASP protocol, but then we started using the BCFSC protocol as well.

I have since completed my Alberta Safety Council (ASC) auditing course and certifying audit. I have done audits for Speedy Glass in Kelowna and Vernon, TireCraft in Vernon, and for the month of March I did the Kal Tire Alberta-wide certifying audit. I have been granted a full equivalency for the Alberta Construction Safety Association. The courses required for their External Auditing were fully met and certification has been granted as of January 25, 2008.

I have also finished my auditor training with BC Forest Safety Council (BCFSC), and successfully completed my student audit.

Occupational Health and Safety Experience

I owned a security company for 7 years during which time I maintained a Safety Management system and provided some safety related services to clients throughout the Okanagan. I worked with Advanced Safety Management for four years where I participated in audits, built safety management systems and assisted companies with their SMS start-up and ongoing implementation. I have worked for MTP Contracting for the past two years as the Program Building Manager and Systems Architect. I am also a St. John Ambulance First Aid instructor. I teach OFA Level 1 for Industry several times each month along with Standard First Aid, AED Training and CPR recertification courses.
