

The following listing includes all companies, in alphabetical order, who currently have an audit submitted and active in the audit review process with the SAFE Companies program. Please refer to the SAFE Certified List to determine whether a company is currently SAFE Certified.

The list does NOT include incomplete submissions or audits received where the company has training and/or registration issues or other cases where company contact is needed to close the file.

At this point in the program, from the time you submit your audit, you should hear back within 8 weeks from receipt of audit report at BC Forest Safety Council.
