

Individual Owner Operator (IOO) Short Term Transition

Due to the rapidly evolving situation regarding the spread of COVID-19, BC Forest Safety Council has suspended non-essential mailing. This includes Individual Owner Operator course materials.

Until the situation is resolved, all IOO printed material will be replaced by emailed pdfs.

Participants will need to be able to either print the materials, or be able to view them on a screen while attending the training.

If participants are unable to work with a pdf please discuss alternatives with SAFE Companies, before enrolling in the training.

If you have further questions please feel free to contact Lisa Reitan at 250-824-5183 or email safeco@bcforestsafesafe.org
