

STOP

Don't meet a **FORKLIFT** BY ACCIDENT

Pedestrians

Forklifts

00 : 100

ONLY proceed if you:

- **HAVE** received **TRAINING** for safe pedestrian-machine interface
- **HAVE** received **ORIENTATION** training to the yard
- **KNOW** and can use the established **SAFE WORK COMMUNICATION CHANNELS** with machine operators - radio; then make sure driver sees you, acknowledges you, stops, and tells you to proceed
- **HAVE** all your **PPE** on
- **STAY** on clearly marked and protected walkways.

*Making you safe,
keeping you safe,
so you go home safe!*
