

WORKPLAN TEMPLATE & GUIDELINES

In an effort to ensure fairness and foster consistency in the ongoing evaluation of our COR providers, we have included some direction and guidelines to assist in the completion of this document. The Agreement defines a Work Plan as "...the COR Provider's plan for its operations as a Certifying Partner ... which identifies the COR Provider's objectives, how it plans to achieve its objectives, and includes detailed information on resources, finances, and KPIs."

After providing the objective(s) and action plan(s) for each of the five pre-populated COR Provider mandates, you have the option to add more objectives and action plans, if applicable.
