

2027 HSA Initiatives Workplan Template

WPAC

Condensed Version

WorkSafeBC expects the HSA Initiatives Workplan will reflect the scope and cost of your initiatives and assist by assigning a dollar value against the HSA's overall budget. Workplans are not intended to include all activities or initiatives undertaken by your organization in the upcoming year. Rather, focus on your **"key initiatives" or activities** you will undertake to address and impact the primary trends within your industry. You will explain what you are going to emphasize in the coming year; in most cases, you will have two or three key initiatives and rarely will you have more than five.
